

4/14/2025

Dear Abutter,

On May 6, Sunday River Skiway Corporation will present an application to the Newry Planning Board replacement of the Barker Pumphouse, a snowmaking water pumping facility located at 121 Barker Mountain Rd.

The complete application for this proposed project will be available at the town office. If you need additional information, please contact me at the below address or by email at proberts@sundayriver.com.

If you wish to comment on this proposed project, please send your responses directly to the Planning Board at the address below. Responses must be received at the Town office prior to the Board meeting, which will be held on 5/6/2026 at 6:00 PM.

Chairperson
Planning Board
Town of Newry
422 Bear River Rd.
Newry, ME. 04261

Sincerely,

Peter Roberts, PE
Engineer
